WC FLUSH PLATES

Fondée en 1956, THG Paris est une entreprise française spécialisée dans la conception et la fabrication de robinetteries et accessoires de salles de bain haut de gamme.

Présente dans plus de 60 pays, THG Paris est une société de dimension internationale avec 8 filiales dans le monde (Londres, Paris, Moscou, New York, Shanghai, Dubaï, Singapour et Milan). Cette présence permet d'accompagner la clientèle à travers le monde, notamment avec des produits répondant aux normes spécifiques de chaque pays.

La maîtrise complète du process de conception et de production en interne permet à THG Paris d'offrir des solutions et design innovants. Des designers renommés collaborent régulièrement avec THG Paris pour sa capacité à concrétiser leurs projets avec un haut niveau de détail et de qualité. Notre savoir-faire permet toutes les réalisations sur-mesure. De nombreuses collections et projets ont été développés entre autres avec : Jamie Drake, Gilles & Boissier, Martin Kemp ou encore Charles Zana.

Les ateliers THG Paris, localisés près des côtes de Normandie, concentrent l'ensemble des savoir-faire nécessaires à la fabrication de nos produits. Cette maîtrise est reconnue par le label EPV qui honore les entreprises de tradition et de fabrication française, gageur de l'excellence française. Ce haut niveau d'exigence est partagé avec nos partenaires tels que : Lalique, Baccarat, Christofle ou Haviland.

Soucieux d'offrir des solutions complètes et coordonnées, tant dans les designs que les finitions, THG Paris élargit son offre au fil des années et propose des produits complémentaires comme la robinetterie de cuisine, les produits électroniques, les poignées de porte ou sèche-serviettes.

Founded in 1956, THG Paris is a French company specialising in the design and manufacture of luxury bathroom fittings and accessories.

Established in over 60 countries, THG Paris is an international company with 8 branches worldwide (London, Paris, Moscow, New York, Shanghai, Dubai, Singapore and Milan). THG Paris's international presence allows us to support our customers all around the world, including country-specific products.

THG Paris controls the entire design and production process internally in order to offer highly innovative solutions and designs. Renowned for our attention to detail and high-quality products, distinguished designers regularly collaborate and entrust us with the realisation of their projects. Thanks to our expertise, we are able to offer a wide variety of custom-made products. We have developed many different collections and projects alongside designers such as Jamie Drake, Gilles & Boissier, Martin Kemp and Charles Zana, among others.

The THG Paris workshops situated near the coast of Normandy are home to both the expertise and resource required to manufacture our products. In recognition of this, THG Paris has received the prestigious EPV label, awarded to companies who demonstrate excellence in their traditional and industrial skills. It is a guarantee of exceptional French manufacturing. These high standards are shared by our partners such as: Lalique, Baccarat, Christofle and Haviland.

Offering complete and coordinated solutions, both in terms of design and finish, THG Paris has broadened its product offering over the years to include complementary products such as kitchen taps, electronic solutions, door handles and towel warmers.
